IMPORT FROM EXCEL PAGE

The screenshot shows a web browser window with the address bar displaying "File | D:/Stock/import-stock-page.html". The page has a light gray background. At the top center, the text "STOCK MARKETING" is displayed. In the top right corner, there is a dark gray button labeled "Logout". Below this, a dark gray horizontal bar contains four white text links: "Import Data", "Manage Company", "Manage Exchange", and "Update IPO details". The main heading "Import Excel" is centered on the page. Below the heading, there is a form with the label "Select Excel file to be uploaded" followed by a white text input field. To the right of the input field is a light gray button labeled "Upload". At the bottom of the form, there is a blue hyperlink that reads "Click here to download Sample Excel File".

LOGIN PAGE

The image shows a web browser window with a light gray background. The browser's address bar at the top displays a file path: "File | D:/Stock/login.html". The page content is centered and features the title "LOGIN FORM" in a bold, black, sans-serif font. Below the title, there are two input fields. The first is labeled "UserName" and contains the placeholder text "Enter email". The second is labeled "Password" and contains the placeholder text "Password". Below these fields is a checkbox labeled "Remember Me". At the bottom of the form, there are two dark gray buttons with white text: "Login" on the left and "SIGN UP" on the right.
